

Dear potential attendee,

On 8/1/13, The Ameren WISE (Women Influencing Success in Energy) group is hosting a pilot program called "Get Into Energy-Young Women Career Day". We are reaching out to a local high school and our Ameren employees to find 30 ladies that would like to learn about careers at Ameren, take the solar tour of Ameren, and much more.

Please see the attached registration form which provides an agenda and note that the program is from 9am-2pm. The 30 ladies attending this program need to arrive to the Ameren General Office Building between 8:30am-9am for registration. A registration table will be located in just inside the front doors of the Ameren General Office Building where you will need to provide a driver's license or ID-no exceptions!
